

Site Conditions

- All quotations are based on work to be carried out by Aluminium Scaffolds Pty. Ltd or their nominated contractor during normal business hours from 7:00am to 4:00pm Monday to Friday.

- It is the responsibility of the customer to ensure that all powerlines within 4.0 metres of the intended location of the scaffold have been covered with "Tiger Tails" installed by the network operator for the full length of the scaffolding, plus a minimum distance beyond each end of the scaffold of 5 metres.

- Pricing includes a provision for a fifteen(15) minute on-site induction for each scaffolder prior to the commencement of work on site. Any additional time required for the induction will be chargeable in addition to the quoted price.

- It is the responsibility of the customer to obtain permission from the local Council Authority if location that the scaffold is to be erected is on a footpath or any other Council owned property. Approval must be provided to Aluminium Scaffolds in writing prior to the commencement of works.

- In the instance where the intended location of the scaffolding requires all or part of the scaffolding to be erected or dismantled from an adjoining property, it is the customers responsibility to obtain written permission from the owner(s) of the adjoining property(s) and forward to Aluminium Scaffolds Pty Ltd prior to the commencement of any work.

- Aluminium Scaffolds staff and contractors will endeavour to take all care, but no responsibility for any damage to roof tiles. In the event of any damage that is caused to any building structures on site as a direct result of an employee or contractor of Aluminium Scaffolds, the customer must immediately notify the office of Aluminium Scaffolds so that an inspection of the damages can be carried out.

- Aluminium Scaffolds will not accept any responsibility for any alterations or modifications to their scaffolding, unless the modifications have been carried out by personell that have been authorised to do so by Aluminium Scaffolds Pty Ltd

- Unless stated in the quotation, shade cloth is not included in the pricing.

- Aluminium Scaffolds must be notified in writing prior to its staff or contractors being engaged in any work that is in addition to what has been quoted
